To whom it may concern:

I am very pleased to write a letter of recommendation for Nicoletta Olivieri.

I have known her since a long time, and I strongly appreciate her skill as an accompanist for operatic singers.

She has a deep knowledge of all opera styles and of singers' needs.

She knows all « tricks » of stage behaving and I am sure that everybody will be enthusiastic to work with her.

I wish to recommend her also for her human qualities; she is a nice person, well behaved and very correct.

Sincerely yours,

Stefano Mazzonis di Pralafra
Directeur Général de
L'Opéra Royal de Wallonie

Previously Sovrintendente in Teatro Comunale di Bologna
